ai FuturEd
Hackathon

Code the Classroom of Tomorrow

2-3 October, 2025

📍 University of Crete, Heraklion

The challenge

This hackathon invites you to **build AI-driven solutions for real educational challenges**.

Use cutting-edge tools to improve learning outcomes, boost accessibility, and increase efficiency.

Why apply?

Build real **AI skills** by solving hands-on challenges.

Work with teammates, mentors, and experts who **push your thinking**.

Turn your ideas into **working prototypes** with real impact.

Shape solutions that make learning better and more **accessible**.

How to apply

✔ Form a **team of 2–3** people.

✔ Pick a **name** for your team.

✔ Decide on the **idea** you want to work on.

✔ Register by **September 19, 2025**.

Prizes

3000 €
First place
